

ANYSTREAM 2000® & ANYSTREAM EURO™

Add-On Shower Systems

GENERAL SPECIFICATION

Add-on hand showers were designed to transform existing fixed showerheads into a combination shower with the addition of a hand-held shower. Add-on showers come in polished chrome finish. Sprays include massage, full body spray and combination spray.

VS-1120 ♿

The complete shower system includes the VS-2000 5-jet hand-held shower and no-tangle hose, VS-111 Diverter with easy-pop lift knob, VS-122 Three (3) position wall mounted hand-held shower holder. Fixed head is not included.

VS-1122 ♿

The complete shower system includes the VS-82620 6-jet hand-held shower and 5' no-tangle hose, VS-113 3-way diverter. Fixed head is not included.
